Distances measured without help.

Point Z difficult to determine.

Error might be in south line back E.

Not sure center of sec 36 was ^{not} definitely located.

Stone at N. E. corner of church lot was let down by gravel road contractor, and myself or adjacent land owner when S. W. Burnside Ave gravel road was built. Believe will be found 2 or 3' north of center of road.

Road was widened by viewers, by taking land on south side east to next turn
